The University of Northampton	The University of Northampton International Scholarship Scheme	Both	The University of Northampton International Scholarship Scheme is a merit-based scholarship that provides up to a 30% reduction in tuition fees for every year of your study (excluding placement years). All full-time Undergraduate and Postgraduate taught courses delivered on campus fall within the scheme and you will be considered for a scholarship on the basis of your academic achievement. You do not have to apply for this scholarship separately from your initial application and you will be informed of the outcome in your offer letter. What's more, the scholarship will apply to all taught years of your course, meaning you could save almost one full year's tuition fees over the course of a three-year degree.	https://www.northampton.ac.uk/student-life/bursaries-scholarships-and-awards/the-uon-international-scholarship/
